iNaturalist Instructions for 2022 Midnight Sun Pollinator Challenge

1. **Go to the iNaturalist project webpage:**

- a. By copying this link to your browser: <https://www.inaturalist.org/projects/2022-midnight-sun-pollinator-challenge>
- b. Or by taking a snap of this QR code to get to the webpage:

2. You can **View all of the current Observations** for this area on this website.

3. **If you want to upload your own Observations:**

- a. **Click on:** Log in or Sign Up (in the upper right corner of the screen)
 - i. Fill out the information and submit it.
- b. Or, **Download the iNaturalist App** to your personal device by clicking on the Download on the App Store icon, located at the bottom of the webpage.
 - i. And then **Click on:** Log in or Sign Up (in the upper right corner of the screen)
 - ii. Fill out the information and submit it.

4. Once you have logged into the iNaturalist program:

- a. Join the **2022 Midnight Sun Pollinator Challenge:**
 - i. By looking for the Projects tab and clicking on it.
 - ii. **Type 2022 Midnight Sun Pollinator Challenge** in the Search area at the top of the projects screen.
 1. choose it in the list to join the project.
- b. You can now view the current observations for this project.

5. To upload your own observations:

- a. **If you're using an App on your personal device**, go back to your site within the App by clicking on the back arrow, located on the top, left side of the screen.
 - i. Click on the **Observe** icon on the bottom of the screen.
 - ii. You will have a choice to upload information without a photo, take a new photo, upload a previously taken photo, or record a sound.
 - iii. You'll be prompted to answer a few questions about the observation.
 1. To add your observation to the **2022 Midnight Sun Pollinator Challenge**, click on the **Projects** tab and then choose or search for the project.
 2. Once you are done adding information to the observation:
 - a. Click on the **Share** bar at the bottom of the screen.
- b. **If you are on the website**, click on the **Your Observations** icon on the top of the screen.
 - i. If you have already uploaded any observations, they will appear on this page.
 - ii. If you need to upload an observation, click on the green circular icon, with a white arrow in the middle of it, located at the top of the screen.
 1. You can drag and drop files (photos or sounds) here, or import them.
